MIDDLE DISTRICT OF TN.

) v. Civ Action 3:15-cv-00847
)
) Enagic USA, Inc, et al
) Defendants.

Plaintiff's Motion for an Enlargement of Time for Discovery

1. The Plaintiff requests an additional 60 days for the parties to conduct discovery.
2. The Plaintiff has requested but not yet obtained call records from the Plaintiff's cell phone carrier as well as sought records but has not yet obtained records from the entity that placed the calls to the Plaintiff in this case.
3. Obtaining the call records in this case is critical to assessing damages, which requires finding the total number of calls and multiplying that by \$500 or \$1500.
4. 60 days should be sufficient to have these call records delivered and no party in the case would be prejudiced by this short extension.
5. The Plaintiff conferred with Darrick O'Dell who represents 800Link, and they are opposed to an extension of time, despite seeking the same call records from the Plaintiff and the Plaintiff telling him that the call records are not yet in his possession to send to Darrick O'Dell in discovery.
6. For the foregoing reasons, the Plaintiff requests the court grant the Plaintiff 60 additional days to respond to the Defendant's Motion to dismiss
